Socket columns

Protection class IP 44
with 4 shockproof sockets
cast aluminium and aluminium profile
with main supply connection
terminals 4 x 4[□]
ready for connection
with mounting plate

For installation on a foundation or
on the sunk pedestal 690010.

Art.-no.	Inserts	Colour
662106	4-units	black
682106	4-units	white

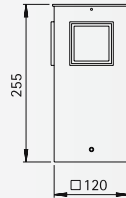

Socket column

Protection class IP 44
with 4 shockproof sockets
stainless steel
with main supply connection terminals 3 x 2,5² ready for connection with mounting plate made of cast aluminium

For installation on a foundation or on the sunk pedestal 690010.

- Available on request with more sockets and switch combinations.

Art.-no.	Inserts	Material
692119	4-units	stainless steel

..2119

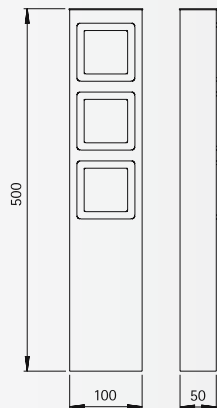

Socket column

Protection class IP 44
with 3 shockproof sockets
stainless steel
with main supply connection terminals 3 x 2,5² ready for connection with mounting plate made of cast aluminium

For installation on a foundation or on the sunk pedestal 690010.

- Available on request with more sockets and switch combinations.

Art.-no.	Inserts	Material
692107	3-units	stainless steel
