Outdoor Brass Mignon Serie

CARATTERISTICHE TECNICHE

Materiale: Ottone

Diffusori: Policarbonato

THECNICAL SPECIFICATIONS:

Material: Brass

Diffusers: Polycarboante

Finiture per articoli in ottone:

Satinatura

Cromatura

Per identificare la finitura desiderata,
è necessario aggiungere il suffisso -S, -C,
alla fine del codice prodotto.

Esempio:

Art. 093-100-OT30-S = Ottone satinato

Art. 093-100-OT30-C = Ottone cromato

Brass articles finitures:

Satinated brass

Chrome-plated brass

To obtain a wish finiture "-S, -C,"
suffix must be added
at the end of the article code

Example:

Art. 093-100-OT30-S = Satined brass

Art. 093-100-OT30-C = Chrome-plated brass

**IMPORTANTE PER I VOSTRI ORDINI:
IMPORTANT NOTE FOR YOUR ORDERS:**

Ordinando il codice **093-...**
acquisterete:

**componenti assemblati
verniciati
cablati**

Ordering code beginning with **093-...**
you will be purchasing:

**assembled components
painted
with electrical parts**

Ordinando il codice **095-...**
acquisterete:

**componenti in kit di montaggio
verniciati
NON cablati
con portalampada**

Ordering code beginning with **095-...**
you will be purchasing:

**kit components
painted
without electrification parts
with lamp-holder**

Ordinando il codice **097-...**
acquisterete:

**componenti in kit di montaggio
NON verniciati
NON cablati
SENZA portalampada**

Ordering code beginning with **097-...**
you will be purchasing:

**kit components
NOT painted
without electrification parts
without lamp-holder**

Satinatura: codice prodotto-S

Cromatura: codice prodotto-C

Satined brass: product code-S

Chrome-plated brass: product code-C

CARATTERISTICHE TECNICHE

Materiale: Ottone

Diffusori: Policarbonato
Vetro

THECNICAL SPECIFICATIONS:

Material: Brass

Diffusers: Polycarboante
Glass

Finiture per articoli in ottone:

Cromatura

Satinatura

Nero

Cromatura + Nero

Per identificare la finitura desiderata, è necessario aggiungere il suffisso -C, -S, -N, -CN alla fine del codice prodotto.

Esempio:

Art. 093-001-OT50-C = Ottone cromato

Art. 093-001-OT50-S = Ottone satinato

Art. 093-001-OT50-N = Ottone cromato

Art. 093-001-OT50-CN = Ottone cromato

Brass articles finitures:

Chrome-plated brass

Satined brass

Black

Black+Chrome

To obtain a wish finiture "-C, -S, -N, -CN" suffix must be added at the end of the article code

Example:

Art. 093-001-OT50-C = Chrome-plated brass

Art. 093-001-OT50-S = Satined brass

Art. 093-001-OT50-N = Black brass

Art. 093-001-OT50-CN = Black + Chrome-plated brass

IMPORTANTE PER I VOSTRI ORDINI: IMPORTANT NOTE FOR YOUR ORDERS:

Ordinando il codice **093-...** acquirerete:

**componenti assemblati
verniciati
cablati**

Ordering code beginning with **093-...** you will be purchasing:

**assembled components
painted
with electrical parts**

Ordinando il codice **095-...** acquirerete:

**componenti in kit di montaggio
verniciati
NON cablati
con portalampada**

Ordering code beginning with **095-...** you will be purchasing:

**kit components
painted
without electrification parts
with lamp-holder**

Ordinando il codice **097-...** acquirerete:

**componenti in kit di montaggio
NON verniciati
NON cablati
SENZA portalampada**

Ordering code beginning with **097-...** you will be purchasing:

**kit components
NOT painted
without electrification parts
without lamp-holder**

Satinatura: codice prodotto-S

Satined brass: product code-S

Cromatura: codice prodotto-C

Chrome-plated brass: product code-C
